Physical Therapist

Description

Everest Rehabilitation Services (ERS) is part of Everest Medical Group, which opened an urgent care center and physical therapy clinic located nearby 69th Street public transportation terminal in Philadelphia, PA and recently grand open in Chester, PA. Everest Medical Group has also launched an adult day care program in both locations as well to provide structured-activities, individualized and group therapies to the clients. ERS is an outpatient facility providing a high quality of therapy to patients with various orthopedic, neurological, and cardiopulmonary issues. The demand for physical therapy service in this community is highly surging and an extension of care is necessary.

Everest Medical Group is an Equal Opportunity Employer.
